Booth Holder Application Package Request

Dealers can now request a booth holder application package for CAPEX 22 using the form below.

Booth holders must be a member in good standing of the Canadian Stamp Dealers Association (CSDA) or their national dealer association. No one may become a booth holder, represent or work for a booth holder if they have been expelled from a philatelic society or philatelic trade society (example CSDA, ASDA, PTS, RPSC, APS, etc).

Standard booths are 3m x 3m (10' x 10') with pipe and drape backing, 8' draped table and 8' back up table, signage and access to power. Locked cabinets will be available for rent.

The Booth holder application package will include floor plan, booth selection, pricing and additional information regarding advertising, sponsorship, customs and tax information and more. The number of available tables will be limited and booths will be assigned by CAPEX 22. An expression of interest does not guarantee acceptance as a booth holder. Further information is available at www.capex22.org

Please send me a copy of the Booth Holder application package to,

Contact Name	
Company Name (if applicable)	
Full Address	
Telephone Number(s)	
Email Address	
Website address
